PREVIOUS WORK EXPERIENCE

VISUAL COMMUNNICATOR (Contract) BRYN MAWR TRUST BRYN MAWR, PA (Virtual) 9/2020 TO 1/31/22

I am a fulltime contractor with Bryn Mawr Trust where I am a visual communicator inside their CTO department. I provide anything from artifacts and art assets to slide decks, engineering diagrams and flowcharts to full on dynamic presentations. I have assisted with software rollouts, testing and bug tracking and project management as they divest to WSFS.

LOGISTICS COORDINATOR BUTTONSHY GAMES HADDON HTS, NJ 7/2019 to 11/2022

VENCORE INC. (PREVIOUSLY THE SI ORG & LOCKHEED MARTIN) 7/2008-8/2016

6+ years of professional working experience, with a firm understanding of design concepts and firm knowledge of WordPress, HTML, CSS and SASS (or other precompiled CSS). While working on the OASIS R&D Project I was on the UX design team. On this team I was responsible for taking user and customer input and translating that to engineering outputs. As part of my tenure on that position we developed the branding & style guide for use on the 4-person UX team and adopted by the engineering team.

I was the lead word press developer for the CIO organization. This entailed performing changes, updates, design, maintenance and manipulation of themes, content, and plugins. While working on the Serious Games R&D Project I was project lead for the team. On this team I was responsible for taking customer and stakeholder input and translating that to the engineering and design outputs.
